

Git Repository

The screenshot shows a GitHub repository page for 'CS615C' (Public). The repository was created by 'jojojustine' and has 5 commits. It contains 2 branches and 0 tags. The main branch has several files committed, including 'index.html', 'main.css', 'main.js', 'ourteam.css', and 'ourteam.html'. The repository has 0 stars, 1 watching, and 0 forks. It also lists releases, packages, and an about section stating it's for practicing CS615C Course Modules.

Webpages

The screenshot shows a web browser displaying a fitness website titled 'JoJo's Fitness'. The page features a dark background with fitness-related icons like dumbbells and a barbell. A central modal window is open, prompting users to 'Subscribe For Fitness Tips!' with a form to enter an email address and a 'Subscribe' button. The top navigation bar includes links for 'Home', 'Our Team', and 'Contact'.
